#### BOARD'S MESSAGE

The activities of the Board of Education from one year to the next do not vary too much. They consist of performing these things for which they are responsible by law: providing for the education of the children of the District by the employment of teaching personell, and providing buildings, textbooks, educational equipment, and supplies and sanitary facilities. Along with these the board also operates a cafeteria in each building which provides lunches for the pupils at a reasonable cost.

Were we to review the minutes of the Board of Education for a year we would find their first order of business is to organize and appropriate funds from those made available to

them by the people, and to carry out the responsibilities mentioned above. The minutes of the rest of the year reflect the effort of the Board to make the educational program of the District a better one; the adoption of a salary schedule to try to attract and hold the best teachers, the operation of summer kindergarten, co-operation with the Title III program, and the purchase of new equipment for the various departments to name only a few.

The Convoy-Union Board of Education has done these things in the past year in an effort to give to the boys and girls of the District better educational opportunities.

# CLASS PROPHECY AND WILL

May, 2000

Dear Seniors of 1960,

Since you were the last graduating class from Convoy-Union High School, we decided to keep a tab on each one of you. We have compiled a report that might interest you.

Don Crabtree is about to enter a crucial period of his life. Tomorrow he makes his last payment on the convertible he got for graduation.

Charles Baer Ph. Phd. Se.; has received quite a bit from his high school education. He is now professor of Spanish education at Ohio State University.

We hear the "Big Daddy" in Greenwich Village is Gary Stemen. He attained this high position by his many long hours of hard work.

Remember Larry Wortman? He was the guy who got lost in Washington on the class trip, and he hasn't shown up yet.

Rita DeLong has changed her name to Endsley. They are getting along quite well on that banana boat, which is more his line anyway.

Del Pratt has recently signed up with the Rockettes in New York.

I saw Carmen Lippi at the jail the other day. It seems she was arrested for embezzling funds from Wesley Meyer's General Motors Company. She said that she was planning to take the money and meet Erick Pifer in Mexico City where they were to be married. But she gave herself up when she heard that Erick had eloped with Florence Perry.

Susie Rogers is doing night-club work. She is now starring with her song and dance act at the Reptile Room in the Bronx Zoo.

I hear Jerry Bower is in the circus now. He's in the side show swallowing swords. He is doing pretty good, but the other day he got one down and couldn't get it back up! Well, he always did mean well!

Margie Michael is a big deal at the Aeroquip. Yes, the last time I saw her she had just finished sharpening the pencils.

Dot Bell is now a nurse in the Navy. She is doing a great job. Recently she performed an operation on Sgt. Phil Freck. I hear it was quite serious. She took out his appendix and sewed his mouth shut! Reporter, Dave Simmons, for the Alaskan Daily Blatt said that it was for the benefit of mankind.

Anna Gunsett is selling hot water bottles in Alaska, to support her husband, Doug DeCamp.

Allan Barkley is now a star in Hollywood. He has received an "Oscar" for his latest movie, "Pinnochio." Another member of our class has reached stardom. Yes, Stan Crowle is doing Regimen commercials on "How I Lost 200 Pounds."

By the way, do you remember our class foursome? Connie Waltmire and Don Wilson are STILL dating. Don just hasn't had enough nerve to ask her yet. Phyllis Dunlap and Jim Adams got married and are now running a school in Mexico teach tourists how to speak Spanish.

The other day my son brought home an American Observer, and on the front page was a picture of Rosita Bauer working in the rice fields in Japan.

Larry Dealey, is now a beautician at Wolf and Dessauer's. Judy Anderson is one of his best customers. She has a "Yul Brenner" haircut and comes in for a shave every day.

Judy Kiehl is a taxi driver in the city of Cavett.

Ron Jellison is a door-to-door salesman. He's still working for our class, selling the Jello left over from our Senior year.

Larry Webb has a good position in the business world. He's cleaning furnaces for Bagley's Builders and Supply Company.

Sondra Oechsle's husband hung himself because he couldn't make the payments on her 10 carat diamond ring.

Nikki Mohr has just seen Allan for the first time in forty years.

Elizabeth Clay has just returned to Convoy, Ohio from her missionary trip to the Van Del School District.

Linda Hall is a top dress designer now, and she has just started a new trend of wearing floor-length skirts.

Marshall Wilkins was the first man to go to the moon. He was chosen because of his physical fitness and enthusiasm.

Jerry Helm has made headlines. He has saved a city by sticking his finger in a hole in Beaver Dam.

Glenn Heath has won the Nobel Peace prize for his outstanding work in chemistry.

Carol Etzler and Linda Allison have just received medals for sinking atomic submarines in time of war. Yes, they ruined seven perfectly good American subs.

Anne Meyers and Rex Springer tell me that they have taken over Foster's Truck Stop, and they still have those luscious home-cooked meals.

Richard Etzler is guidance counsellor of the Convoy-Union, Wren, Crestview, Blackswamp High School.

Dick Ward, famous painter, has recently turned out his masterpiece. The exterior of Hilda Mericle's house.

Jerry Ryan has invented the cure for arthritis in the preying mantis. Jerry told me that Bob Miller is an instructor of his own school, called Bobbies Ballerinas. Speaking of the finer arts, Russel Etzler has his own Charm School.

Laura Etzler has made her mark in the world and as the saying goes, "Whatever Laura Wants, Laura Gets."

Sandra Rogers is catching clams for a local restaurant.

Coleen Bagley is going around the country giving assembly programs assisting "Sparky the Seal."

"The Indians"

Elizabeth Clay and

Jerry Bower.

We, the Senior Class of 1960, do hereby will and bequeath the following:
